

Reminders:

- Set up in a quiet space with plenty of room for the activity.
- Use a computer or laptop, with internet access, to log on via a web browser.
- When prompted, use the participant's first name and last initial for guest access. For example: Gilbert G.
- Keep the microphone on mute unless needed. The chat feature is another great way to communicate!
- In the participate view, select the three dots next to the instructor to pin the instructor to the main screen!
